Expected Outcomes: Skill Competence

Students will show competence in the skills required of physical education teachers

Related typical general education outcomes:

7 Written Communication
8 Oral Communication
10 Intercultural Knowledge and Diversity Awareness

Assessment methods

Method: Satisfy requirements to intern
90% will satisfy the requirements for internship

Findings:
18/18 - 100% - satisfied the requirements for internship

How did you use findings for improvement?
We have continued our high standards, and are satisfied with this outcome

Additional comments:
None

Expected Outcomes: Working with Learners

Students will develop competence and demonstrate skills in working with learners in school physical education settings

Related typical general education outcomes:

6 Ability to Solve Open-Ended Problems
9 Informed and Engaged Citizenship
10 Intercultural Knowledge and Diversity Awareness

Assessment methods

Method: Pass internship
Pass internship based on performance evaluations from cooperating teacher and university supervisor

Findings:
100% (18/18) of the interns passed the internship.

How did you use findings for improvement?
We continue quality mentoring by supervisors and cooperating during internship, and we use strong cooperating teachers. We will continue to have high standards within the program and the classes.

Additional comments:

None

**Expected Outcomes: Appropriate Programming**

Graduates will be able to provide developmentally appropriate K-12 physical education programs

**Related typical general education outcomes:**

2 Analytical and Critical Reading
4 Ability to Construct Arguments
6 Ability to Solve Open-Ended Problems

**Assessment methods**

**Method:** Have satisfactory teaching evaluations

Successful internship evaluation, successful Inventory of Candidate Proficiencies (ICP). Interns as a group will average 3.2 or greater on 60% of the ICPs.

**Findings:**

Interns’ group means were above 3.2 on 73% of the items on the ICP.

**How did you use findings for improvement?**

We raised the standards last year and continue to work on learning experiences, instructional styles, and diverse learning styles.

**Additional comments:**

None

**Expected Outcomes: Professional Work Sample**

Interns will score 3.2 or higher on each of the 4 components of the Professional Work Sample

**Related typical general education outcomes:**

4 Ability to Construct Arguments
7 Written Communication
10 Intercultural Knowledge and Diversity Awareness

**Assessment methods**

**Method:** Professional Work Sample

Interning students will score 3.2 or higher on each of the 4 components of the Professional Work Sample.

**Findings:**
Interns' group means were above 3.2 on each of the 4 components of the Professional Work Sample.

How did you use findings for improvement?

We had raised standards for assessments during internship, as well as other components, and are satisfied with the results.

Additional comments:

None
