Expected Outcomes: Satisfaction with academic advising

Parent and pre-nursing students will be satisfied with advising provided by the SON Academic Affairs Office AEB scoring each item on the CWE Parent Survey and Pre-Nursing Academic Advising Survey 3.5 or higher.

Assessment methods

Method: CWE Parent Survey

At the end of each CWE Parent session, parents are surveyed and rate academic advising on a scale of 1-5. The Associate Dean and Academic Advisor tracks this information.

Findings:

CWE Parent evaluations for Summer 2012 ranged from 4.46-4.67 on a 5 point scale over all 7 sessions.

How did you use findings for improvement?

Continue to monitor. Benchmark meet and findings consistent with previous findings.

Additional comments:

None

Method: Pre Nursing Academic Advising Survey

All prenursing students are sent a survey electronically each semester.

Findings:

82 students responded to the survey this year. Average scores ranged from 3.89-4.67.

How did you use findings for improvement?

Although the benchmark was met, we are exploring ways to increase the response rate.

Additional comments:

None

Expected Outcomes: Minority Enrollment

The Academic Affairs Office will participate in recruiting programs that target middle school, high school and community college minority students.

Assessment methods

Method: Participation in Recruitment Programs

The Academic Affairs Office will participate in Recruitment programs sponsored by the Office of Enrollment

Findings:
The Academic Affairs Office participated in Preview Days and browse sessions for recruiting at local schools and community colleges, the Loachpolka Exploring Auburn Days and the Summer Enrichment Experience (SEE). Numerous contacts were made with potential minority students. Five prenusing students participated in SEE.

How did you use findings for improvement?

We will continue early recruiting efforts of minorities and follow up with the SEE program.
